GREATER VIRGINIA PENINSULA

Big Brothers Big Sisters creates and supports one-to-one mentoring relationships that ignite the power and promise of youth.

Volunteers (Bigs) apply, interview, and complete references and background checks. Youth (Littles) are enrolled by a parent or guardian. Our team thoughtfully matches Bigs with Littles based on shared interests and provide ongoing support to every match, from beginning to end.

COMMUNITY-BASED

Mentor and build a friendship based on common interests. You and your Little (mentee) will **explore new places & things in the community.**

2 hours, twice per month,
for 1 year.

SCHOOL-BASED

Mentor a local student at their school. Be an additional role model to your Little while playing games, doing crafts, and more during their lunch break! ***Location: Discovery STEM Academy in Newport News**

30-60 minutes each week for 3
semesters.

SPORTS BUDDIES

Mentor the future by committing to monthly sports activities through our one-to-one mentoring program. Volunteers and their mentees attend **one group sports activity per month facilitated by BBBS staff.**

Season runs February - August
(1 Saturday each month)
